Dear Mr. Dillon:

This is to confirm our meeting of August 27, 2007. As you are aware for the past six years we have partnered with you to produce the University Fete. We are very happy with you and your organization and had every intention of offering the University Fete in October, 2007. However, the construction work now in progress will not be completed by the 6th October 2007, the day of the Event. As you saw, the entire Patio, which we use as the food area for the Event is excavated and will not be ready in time. In addition, the area around the school will be a construction zone until December as we replace the windows and repair the roof. As a consequence, sad to say we are not able to host the University Fete this year.

We, like you are very disappointed not hosting the Fete this year. We expect you to continue to visit us and as we plan for next year University Fete 2008. We look forward to continuing our partnership with you.

Wishing you well, I remain

Sincerely yours,
